August 20, 2009

Dear Jamie French,

York Regional Police would like to thank North Central Office Technologies Inc. for providing professional and efficient service during our 2009 Canon photocopier rollout. The ease of implementation mixed with expedited deliveries made the transition of equipment seamless! The photocopier training that was included with the purchase of the copiers was very helpful to all of our members. We are also extremely impressed with the speed of service that your technicians Rick Turcotte and Nelson Inchima have provided. To be able to place a service call and have a tech on site within the hour is very essential in our line of work. We would also like to thank N.C.O. for going the extra mile with assisting in our asset management!

Thank you,

Jeff Ledger #5542
