Dear Patrick,

I am delighted to write this letter of reference for NCO Technologies. We were dealing with a different provider, but NCO was able to offer the Canon product solutions that addressed our concerns. The installation, support and service experienced by NCO team, made the transition of our copier fleet at Swiss Herbal Remedy Limited to Canon multifunction solutions very easy and user friendly.

I would have no hesitation in recommending NCO Technologies to anyone looking for a reliable Canon dealer..

Regards
